

DUBLIN BAY IS FOR EVERYONE.

To help everyone enjoy the waters of Dublin Bay and the River Liffey responsibly, anyone planning to sail, swim, paddle board, wind surf or jet ski is reminded to always think water safety.

IT'S ALSO A BUSY WORKING PORT.

Get your bearings — always think water safety.

Take the time to remind yourself and others of these safety pointers and please keep this information safe.

Remember that Dublin Port is a busy working port, and we all enjoy the water when we're ship shape together.

Get your bearings — always think water safety.

Get your bearings – always think water safety.

01

Plan your voyage: check the wind, weather and tide.

02

Tell someone where you are going and your time of arrival/return.

03

Wear a personal flotation device.

04

Ensure your safety equipment is working, including VHF radio for boat users.

05

Familiarise yourself with the location of the shipping lanes in Dublin Port.

06

Keep a sharp lookout for other boats by sight and by sound, and radar if you have one.

07

Call VTS on VHF Channel 12 to get traffic updates and permission to cross the shipping channel or traffic routing schemes at Dublin Port.

08

In an emergency, call the Coast Guard on VHF Ch 16 or phone 112.

Dublin Bay Shipping Lanes

When approaching shipping lanes (outlined in red), please call VTS on VHF Channel 12 for traffic update and permission to cross.
