

NOTICE TO MARINERS

Boreholes & Site Investigation Works - Berths 52/53, OB3, OB4

Masters, Warranted Pilots, Holders of Pilotage Exemption Certificates, Owners, Operators and Agents of all Vessels navigating within Dublin Port are hereby notified that site investigation works will be undertaken; in the approach to Berth 52/53, Oil Berth 3 and Oil Berth 4, commencing 15 April 2026 for a period of approximately 4 weeks. The works will involve the digging of a number of boreholes and sampling in locations indicated on the below drawings;

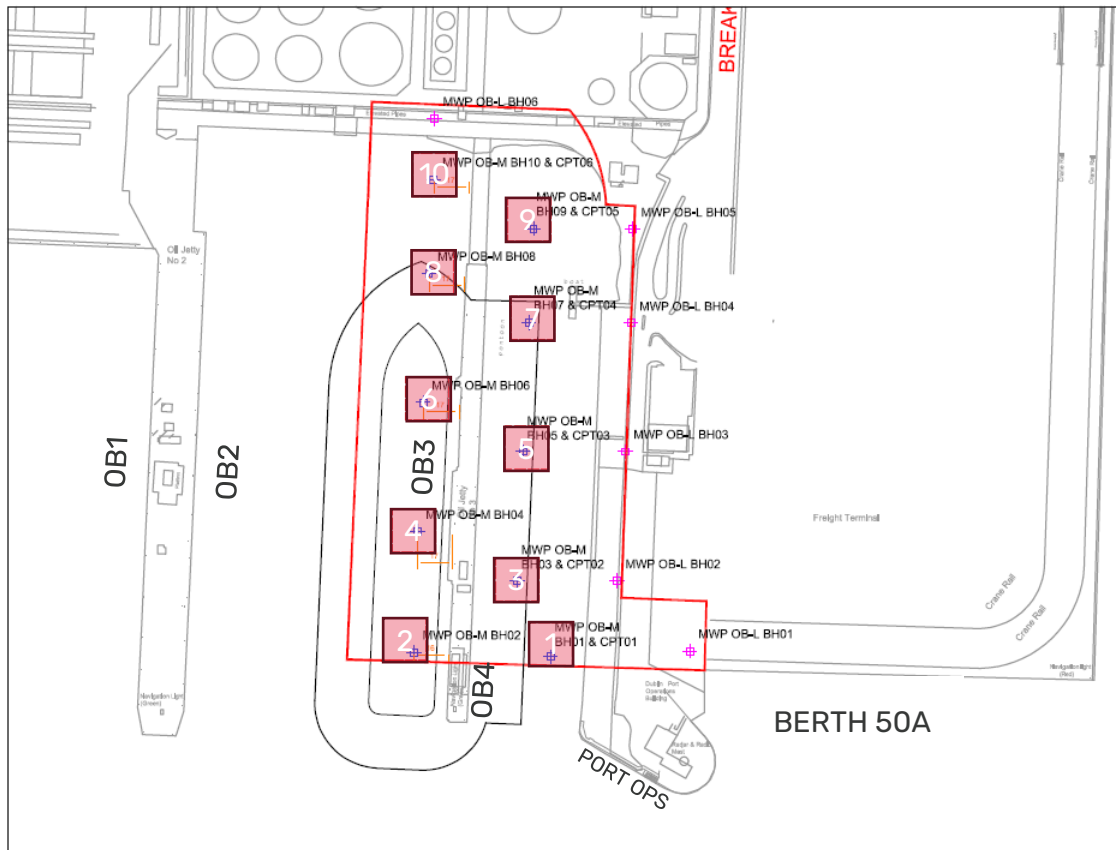

Captain Michael McKenna | Harbour Master | 15 April 2026

Masters, owners, agents, charterers, marinas, yacht clubs and recreational boaters should ensure that the contents of this notice are made known to the persons in charge of their vessels or craft. All notices to mariners can be found at www.dublinport.ie/information-centre/notice-to-mariners/

**Dublin
SafePort**

Enhancing
safety culture
and practice,
port-wide.

The following craft will be engaged in survey operations;

Vessel	Role	Length x Breadth x Draft (m)
Causeway Giant	Jack Up Barge	18 x 12 x 1.5
Ocean Clipper	Support Rib	10.5 x 3 x 0.5
Ocean Supporter	Multi-cat	19 x 8 x 1.8

All craft will maintain a continuous listening watch on VHF Channel 12 and will display the appropriate lights and shapes as required under the International Regulations for Preventing Collisions at Sea and transmit AIS.

All vessels navigating in the vicinity are requested to; navigate with caution maintaining a safe distance from the works vessels, to pass at slow speed and to make due allowance for site investigation works and the restricted manoeuvrability of vessels engaged in such works.

Dublin VTS will promulgate relevant navigational information and traffic updates on VHF Channel 12.
