

NOTICE TO MARINERS

Dredging Operations

Masters, Warranted Pilots, Holders of Pilotage Exemption Certificates, Owners, Operators and Agents of all Vessels navigating within Dublin Port are hereby notified that Dublin Port Company, in conjunction with Boskalis, will undertake a maintenance dredging campaign within port limits from 25 April 2026 to 28 April 2026.

Dredging works will take place on the north side of the Fairway, between Starboard Lateral marks no 7 & 9, to the south of the North Bull Lighthouse to address an area of shoaling;

The following craft will be engaged in dredging operations:

Vessel	Role	Dimensions
Freeway	Trailing Suction Hopper Dredger	92.1 x 19.0 x 6.8

All craft will maintain a continuous listening watch on VHF Channel 12 and will display the appropriate lights and shapes as required under the International Regulations for Preventing Collisions at Sea.

All vessels are requested to navigate with caution when transiting dredging areas, to pass at slow speed, and to make due allowance for dredging operations and the restricted manoeuvrability of vessels engaged in such works.

Dublin Port VTS will promulgate relevant navigational information and traffic updates on VHF Channel 12.
